

Brief CV

Name	Manoel P Cordão-Neto	中文名		PHOTO
Gender	Male	Title (Pro./Dr.)	Dr.	
Position (President...)	Professor	Country/ Region	Brazil/DF	
University/ Department	University of Brasilia – Civil Engineer			
Personal Website	www.geotecnia.unb.br			
Research Area	Soil mechanic and geomechanics			
<p>Brief introduction of your research experience:</p> <p>Permanent position of Adjunct Professor (Similar to Lecture Senior in UK System). <u>Main Academic Activities</u> – Give class to undergraduate and post-graduate course, Supervise Master and PhD Students, Coordinate research projects.</p> <p>2007 - Graduation coordinator - Civil Engineering.</p> <p>2009-2011 - Post-graduation coordinator - Geotechnical engineering.</p> <p>2011 - Lecture about hydro mechanical behaviour - VII Unsaturated soils Symposium 2011 (Pirinopolis, GO, Brazil).</p> <p>2011-2018 – about 20 scientific journal papers, about 20 paper in scientific conference procedures , about 15 supervise of master and PhD students degree;</p> <p>2015 - Lecture about constitutive modelling - VIII Unsaturated soils Symposium 2015, November, Fortaleza, Brazil</p> <p>Unsaturated soils: Numerical modelling (FEM, MPM and DEM), Constitutive modelling and laboratory test;</p> <p>Reservoir Geomechanics: Numerical modelling (FEM), multiphase flow and deformation, hydraulic fracturing;</p>
